North Beach Taxpayers' Membership Meeting

Following the Trustees' meeting on Saturday, September 10th, the annual meeting of the membership was held at the Surf City Firehouse. Pat Moran, the outgoing President was given a rousing round of applause for his dedicated leadership for the past four years, and Chuck Perfater was welcomed as the new President. After additional introductions, there was a flurry of interesting topics discussed, including boulevard safety, storm drains, trash collection, snow removal and taxes...many of which will be referred to the township.

Chuck reported on Mayor Mancini's feedback to questions raised at the June meeting:

- The township will continue to maintain dune fencing
- Universal beach badges are unlikely
- Township will keep the excess sand in the tennis court parking area under control
- Rest rooms at the tennis courts are not yet on the drawing board
- A blinking light at the 25th St. crosswalk at the south end of North Beach is in process.

Following the meeting, those in attendance were treated to tasty finger food and libations...thanks to the Moran's.
