News Flash

Ocean County is holding a household hazardous waste disposal program in Stafford Township on Saturday, October 22. Materials can be taken to 320 Hay Rd., off Stafford Parkway. Acceptable materials for disposal include paints, thinners, boat paint, solvents, pool chemicals, pesticides, herbicides, auto products, toilet and drain cleaners, aerosol cans, bleaches, waste oil, used gasoline and many others. Maximum weight of dry materials is 200 lbs. and maximum quantity of liquid materials is 20 gallons. No containers larger than five gallons may be disposed. No radioactive material will be accepted. All of these materials, except waste oil and gasoline, must be in original containers. Containers containing gas or oil will not be returned. Pre-registration is required by calling 609-978-0913, before 3:30 PM daily.
