

ReClam the Bay (RCTB) is a local 501(c)3 charitable organization, operating primarily in the Barnegat Bay estuary. We provide education about the Barnegat Bay watershed which includes Barnegat Bay, Manahawkin Bay and Little Egg Harbor Bay. Our programs are designed to conserve and improve our bays through shellfish-related, sustainable and resilient stewardship projects.

Most of our work, including all our educational efforts, is funded through donations. We do most of our fundraising through educational sessions and the sale of RCTB gear and raffle tickets at local fairs, festivals and shows. Raffle sales are a huge component of our annual income. Last year a number of members of the various taxpayer associations on LBI supported RCTB by purchasing tickets for our merchandise and cash 50/50 raffles. **In fact, two of the three winners from our raffles last year were members of LBI taxpayer associations!**

Can you help? There are many ways to support our mission:

- donations at our website - reclamthebay.org,
- become a member (we offer various member levels),
- **a fun and easy way is to purchase tickets for our annual raffles.**

Please email billw@reclamthebay.org if you can help support the raffles. As we did last year, we will make arrangements to get you tickets through our members on LBI. Thanks in advance. (Unfortunately, New Jersey doesn't allow online raffle sales.)

The drawings will be held Sunday, October 3, 2021, 3:00 pm at the ChowderFest Bayfront Festival, Taylor Avenue Bayfront, Beach Haven, NJ. Winners need not be present.
